SEND and Inclusion Support Model

Families → **Schools and settings**

SEND Local Offer
The SEND local offer and graduated offer provide information about the support available for children and young people with SEND.

SEND and Inclusion Support Line
A support line open to parents and professionals, offering information, advice and guidance on SEND and Inclusion.

Team around the School (TAS)
A team of professionals connected to each zone. They ensure individual children or groups of children in a school receive the right support at the right time in a joined up way. They can also call in expertise from other professionals where needed.

Team Around the School Meeting
The zone team will have regular meetings with schools to identify children and young people who would benefit from extra support, and will help schools to provide this support.

Way Forward Meetings (WFM)
A meeting where families and professionals can make a plan together when it looks like a child's needs might be escalating or where the next steps for a child are unclear. This will usually mean updating an existing SEN support plan.

Informed by data and intelligence from other elements of the model and inclusion indicators.

Zone Inclusion Partnership
Termly meetings in each zone where schools come together with other zone professionals to better understand need in their local area and to share best practice.

Strategic Meetings
Meetings with leaders of trusts and large LA Maintained federations to use data to further develop the Norfolk school system and champion inclusive practice.
