

EYFS Reforms Professional Discussions - 'Curriculum'

These live sessions will focus on the area of Curriculum within the EYFS Reforms.

Every setting should have a top-level plan of what they want children to experience and learn. This curriculum should be ambitious and matched to the unique needs and features of the community, cohort, and individual children.

The session will begin with a short presentation followed by breakout rooms where the professional discussions will take place.

It is a requirement that you have watched the ['Getting ready for the EYFS 2021'](#) recording prior to attending a session.

We also recommend that you familiarise yourself with the ['Revised EYFS Padlet'](#) If you want more details on how to use a Padlet you can access this recording: [Padlet Recording](#)

These sessions will begin promptly so we advise you to join them 10 minutes before the advertised start time.
