

What support can we offer?

A visit to your school to discuss the needs of the child, teacher, teaching assistant, year group or school as a whole.

- Modelled interaction/strategies and approaches, through working with the child with SLCN within a small group and suggest or provide resources for follow up activities.
- Guidance on effective resources/use of space to ensure a 'communication friendly' learning environment.
- Guidance and training for individuals or groups of staff on strategies to support children with SLCN.
- Signposting to alternative provision if our SLCN outreach service is not appropriate.
- Whole school/ cluster CPD on SLCN issues, through training sessions.

Possible training sessions:

SLCN: Difficulties & Strategies; an Overview

SLCN: Strategies & Activities.

SLCN: Establishing Effective Language Groups

SLCN: Vocabulary and Word Finding.

SLCN: Phonological Awareness Activities to support the development of Early Literacy Skills.

EYFS/KS1 Parent Workshop: Supporting Children's Early Language Development.

Please contact us if you have any other training requirements.

To arrange a visit to your school please telephone Hall School, Norwich on **01603 466467** and ask to speak to Tracey Woods.

Alternatively, you can email Tracey at twoods@hall.norfolk.sch.uk with enquiries.

Outreach request forms can be found on the Suffield Park Infant School website under the SRB tab, (either requesting whole school SLCN support or support for professionals working with an individual child or group of children). If your request is centred on an individual child then you will also need to attach a copy of his/her SLCN targets and/or most recent Speech Therapy Report. We will then be in touch to arrange a visit.

There will be a fee of £100 to contribute towards travel and resource expenses for the initial and any subsequent visits. Additional charges will be incurred if whole school/cluster CPD/additional training is requested.

Introduction to SLCN outreach provision.

We are a group of experienced and highly qualified SLCN Specialist Resource Base teachers, who as well as teaching classes within our specialist settings, offer support to teachers to enable them to fully support children with SLCN within mainstream classes. We work closely with Speech Therapists, so are able to seek advice regarding children's specific difficulties, although we are not qualified to address speech sound difficulties ourselves or deliver speech therapy.

Our Aims

Our aim is to secure better outcomes for children with SLCN across Norfolk, by helping to promote the participation and achievement of such children. We will do this by supporting staff in mainstream schools to better understand the needs of children with SLCN and to help develop strategies to support the children more effectively, enabling them to reach their potential within their mainstream setting.

Desirable outcomes for schools and children.

- Staff will feel better equipped and more able to meet the needs of children with SLCN.
- Schools will feel more confident, enabling children with SLCN to be included and achieve well within mainstream
- Parents will feel confident that the needs of their child are being better met.
- There will be increased participation, enjoyment and achievement for children with SLCN within mainstream classes.
