

NCC Apprenticeships Newsletter: Norfolk Schools - Spring 2023

Welcome to our Norfolk Schools Newsletter!

The NCC Apprenticeships Team manages the apprenticeship levy received from all Norfolk local authority schools and are here to help and guide you through the opportunities available for both existing staff and new recruits within your school.

What's new?

The Schools Business Professional Level 4 apprenticeship is aimed at professionals who perform a role which is unique to schools, administering and managing the financial, site and support services within a school setting. BPs may work in any school phase (primary, secondary, special) and they can work in very different settings with varying numbers of people that they report to including the headteacher or School Business Director. Within this context, SBPs have a shared number of roles which shape their day-to-day activities . To find out more information contact the NCC Apprenticeships Team .
