

REVISED SRB Panels for Academic Year 2023/24

The following dates are for the 2023/24 SRB admissions Panels.

Please note the **revised dates for the Autism Panels**, after the Autumn 2023 term; these Panels will now be held termly. The Spring term Panel is January 2024 and the Summer term Panel is May 2024 (as below).

The sessional Panels remain as every half term.

The referral deadline is the date by which a school can submit a referral for a place at an SRB. It is the final date for the subsequent Admissions Panel. Referrals can be submitted as soon as prepared / before this date. **Time deadline on this date is 17:30pm.**

The way SRB Panels are run is changing this year due to the SRB Programme growth increasing the number of bases & provision. The first table is for the Sessional Panels (SEMH, SLCN & LCN). The second table is for Autism Panels. The time in between allows for SRBs and other professionals to consider and observe the referred children.

Sessional SRBs deadlines & Panel dates

Submission Deadline Date	Admissions Panel Date for all Sessional SRBs
13.09.2023	04.10.2023
